

# Attention FDA

0514 '00 MAY -4 AM 12:24

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

*I should not be forced to have a medical exam (I will not) on this issue. FDA - leave us alone. As veterans we fought for freedom (WW #2 for me) in the wars and now the government is trying to take it away little by little. Keep out of it.*

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

*No - never!*

4. Should I be allowed to purchase hearing aids by mail as I choose?

*Absolutely so. I am ordering one today*
